

Belmondo

Tight interlocking mat with horseshoe pattern and fine ribbed base.

Premium interlocking stable mat. With its precision water-cut edge, Belmondo provides superior fit, maximum comfort and serious noise reduction. It's easier to keep clean than concrete, saves time and reduces bedding costs by up to 80%. Belmondo is anti-slip, reducing the risk of falls and injuries, absorbs impact and prevents tendons and joints from over-stressing.

Applications

Stable Floors

Properties

Made in Germany from recycled rubber using a unique vulcanisation process. Fully sealed and won't hold moisture or bacteria.

Slip Resistant

Recycled Rubber

Specifications

Features

- Easy to clean surface pattern
- Interlocking edge and a horse shoe pattern

Strengths

- Reduces hoof wear
- Extremely durable
- Grooved top for extra traction

Dimensions

Length: 1000mm

Width: 1000mm
