

Hooves choose it.

SlatMats

Width: 1200mm | Length: 3500mm (2 x 1750mm)
Thickness: Flat SlatMat 25mm, Ridged SlatMat 27mm

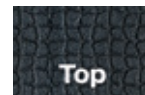

Numat HerdHome® Shelter slat mats are designed to give cows a warmer, safer alternative to harsh concrete slats. They are free-draining, anti-slip, and with our patented rubber peg fixing system, they're easy to install and uninstall as needed.

Custom cut in New Zealand

Applications

Herdhome® shelters

Properties

Made in Germany from recycled rubber using a unique vulcanisation process. Fully sealed and won't hold moisture or bacteria.

Specifications

Features

- Easy to clean square pattern and cushioned base.
